I have been made aware of Florida Statute 316.1936; Possession of open containers of alcoholic beverages is prohibited; "Open container" means any container of alcoholic beverage which is immediately capable of being consumed from, or the seal of which has been broken. "Road" means a way open to travel by the public, including, but not limited to, a street, highway, or alley. The term includes associated boardwalks, sidewalks, the roadbed, the right-of-way, and all culverts, drains, ditches, water storage areas, embankments, slopes, retaining walls, bridges, tunnels, and viaducts necessary for the maintenance of travel and all ferries used in connection therewith. *If you so choose to violate this Florida Statute, you will be responsible for all penalties imposed.* **(INITIAL)** \_\_\_\_\_

I also have been made aware of Florida Statute 316.003; A bicycle is classified as a vehicle [Section 316.003(2), F.S.]. A person in control of a vehicle on a street or highway is a driver [§316.003(10)]. As a driver, a cyclist must follow the traffic rules common to all drivers. You potentially could be charged with Driving Under the Influence while on a bicycle. *If you so choose to violate this Florida Statute, you will be responsible for all penalties imposed.*
